GREEKS FOUND GUILTY OF MANSLAUGHTER

VERDICT TO THIS EFFECT RETURNED FRIDAY AFTERNOON

Jury Was Sent Back Twice by the Court Because of Form of Verdict—Defendants Receive It With Stoical Indifference—Attorneys Make Motion for New Trial

QUINCY, Ill., June 16.—After being out for 24 hours the jury in the case of the 29 Greek laborers charged with the murder of Edward Lashbrook, sheriff of Schuyler county on the night of April 28, found all of the defendants guilty of manslaughter, returning a verdict at 4:30 this afternoon.

The jury was sent back to its room twice by Judge Wolfe on account of the form of the verdict, in each instance the jury having fixed the punishment at seven years in Chester penitentiary. Finally the court with the consent of the attorneys on both sides issued a new instruction to the effect that if the jury found the defendants guilty of murder it was to fix the punishment but if guilty of manslaughter the court was to do so, adding that this instruction was not to indicate to the jury what its verdict should be. The jury then went out and in a few moments returned with a proper form of verdict.

STATE COMPLETES EXAMINATION OF DONALD CURRIER

State's Case Unfinished as Trial Closes Eighth Week

(By The Associated Press)
WAUKEGAN, Ill., June 16.—The trial of Governor Small closed its eighth week tonight with the state's case still uncompleted, but with the end in sight.

Direct examination by the state of Donald Currier, the prosecution's accountant was completed tonight and Monday, C. C. LeForge, chief of counsel for the governor will begin the cross examination which is not expected to take more than a day or a half. Plans for the half day session tomorrow were abandoned when Mr. LeForge presented to Judge Edwards that he would need the entire week end to analyze the voluminous tabulations of state's evidence prepared by the accountant.

A half dozen more of the tables were introduced today. They showed in brief form the details already brought out of the alleged transactions by which the governor and his co-defendants are alleged to have defrauded the state of interest on public funds and also the details of the purchase of stock in the Ridgely National bank of Springfield by the governor, Secretary of State Emerson and the late Senator Edward C. Curtis. The prosecution claims the money to buy the bank stock was taken in part from the treasury and in part from interest on state money which had been loaned to Mr. Curtis' Grant Park Bank.

The defense will be given a half day when the state completes its cause to prepare for the arguments opening the defense Judge Edwards announced today.

Present indications are that the trial will be ended by or about July 15th.

CLEAR MIXUP IN BODIES OF SOLDIERS

(By The Associated Press)
SIOUX CITY, Iowa, June 16.—A mix-up in the burial of the bodies of two American soldiers who were killed in action overseas has been cleared up here. Corporal Archie C. Redden of Sioux City and Private Louis E. Odell of Brooklyn, N. Y., lost their lives in the Champagne offensive and their bodies were buried in France, side by side. A body supposedly that of Redden was sent here and buried with full military honors. When the graves registration bureau sought to remove the body of Odell from the cemetery in France it was discovered that their identification tags had become interchanged and that Odell's body that was buried here.

Corporal Redden will be buried here Tuesday.

A motion was made by the defense for a new trial and the date for arguing the motion was set for June 30th.

In view of the verdict unless a new trial is granted it is likely the other two cases against the men will be dismissed by the state.

Before handing the verdict to the clerk to read the court admonished the audience which had been present all day that no demonstrations would be tolerated no matter what the verdict might be.

The defendants occupied three long benches facing the jury but they retained the same stoical indifference that has been characteristic of their conduct from the beginning of the trial on May 31.

This is the largest number of defendants convicted at one time on one charge in the history of Adams county which has had a circuit court for 97 years the first session having been held in 1825.

A movement was started at once by friends of the defendants a large number of their countrymen, who have been here ever since the first day of the trial to raise another fund with which to carry the case to the supreme court in case a new trial is refused.

WARRANTS ISSUED FOR STRIKING MINERS

(By The Associated Press)
TERRE HAUTE, Ind., June 16.—Warrants were received at the county sheriff's office from Brazil, Ind., near here for the arrest of more than 200 striking coal miners and officials in district No. 11, United Mine Workers, charging riot and conspiracy. In connection with the disorders in the coal field near here during the past week. The warrants were issued on complaint of mine owners that they were forced to close down their mines as a result of demonstrations by the men. Sheriff Wolf said that the men named in the warrants are in the crowd of men which left Terre Haute today for the coal field south of here with the intention of forcing all mines or closing them down.

Chicago, June 16.—The American Farm Bureau Federation today announced the appointment of a national canning crops committee of five to study ways and means of improving the marketing of food products. The committee was authorized by a canning crops conference held in Cleveland yesterday. It is composed of Thomas Wright of New York, chairman; Frank App of New Jersey; J. P. Houston of Michigan; C. C. Golder of Maryland, and A. E. Hughes of Indiana.

ROBBERS KILL SALOON KEEPER

East St. Louis, Ill., June 16.—Henry Market, 45, proprietor of a saloon was shot and killed today by two armed men when he resisted their efforts to hold him for a \$500 cash. The body was found in the street and the identification tags had become interchanged and that Odell's body that was buried here.

SIX PERISH WHEN TORNADO SWEEPS OVER WISCONSIN

Cattle Killed and Immense Property Damage Done

(By The Associated Press)
GLENWOOD CITY, Wis., June 16.—Out of a wreckage strewn countryside belated reports trickled tonight telling the toll of the tornado that swept thru sections of our western counties last night, causing six known deaths, injury to approximately 100 persons and doing damage that will mount well toward the million dollar mark.

Veiled by a terrific rain and hail storm, the tornado tipped and tore its way thru parts of eight or 10 townships, leveling or otherwise damaging buildings on some 200 farmsteads, killing livestock, uprooting trees, tangling telephone and telegraph wires, and doing damage to crops.

Recurrent reports of many dead, duplications and misspellings of names seemed to indicate a heavy death list but when errors had been eliminated and all reports run down tonight six names were on the roster of dead and four persons listed as probably fatally injured.

The tornado reports tonight showed started its devastating course west of here in Erin Prairie and Emerald townships, St. Croix county where a dozen houses and barns were razed in a narrow strip about four miles long before the storm continued on Forest Township.

J. G. Reiss, 60 was in the barnyard of his farm when the funnel shaped cloud raked its death dealing finger across the township striking at 7:30 P. M. Flying timbers crushed out his life, and Morris Schurz, 12, met a similar fate when the barn he had sought refuge in tumbled upon him. Particularly thoro was the work of the tornado in Forest township. It injured probably 15 persons, killed many cattle, laid low growing crops and wrecked two German Lutheran churches before it turned to freakish tricks.

While cattle were being hurled to their death one cow was moved a considerable distance and set down without any injury. Then the storm snatched a mattress from the bedroom in Peter Wineburg's farm home and hurled it far out into the fields, but did not damage the house. A bed sheet was blown into crack in the floor with such force that it could not be pulled out. Just what the monetary damage will total seemed impossible to predict tonight.

There is immeasurable damage done in destruction of trees, for instance, and this will not be reckoned in the final figures.

There was a question as to the extent of injury to crops. Most sections reported the storm simply laid the grain down, the in several instances hail had peppered the fields, and here lasting harm was done.

Efforts of the storm were felt as far east as Chetek in the southeastern part of Barron county, reports tonight showed.

ELECTION JUDGES RELEASED FROM JAIL

(By The Associated Press)
CHICAGO, June 16.—Eight election judges sentenced to six months each in the county jail by County Judge Righelmer today for contempt of court were released tonight by Judge Hurley of criminal court on petitions of habeas corpus for each defendant. The election judges were sentenced to jail when they refused to answer questions regarding discrepancies found in canvassing the ballots in their precincts in the primary election several weeks ago.

WOMAN SITS UP IN HER COFFIN

NEW YORK, June 16.—An hour after she had been prepared for burial today Mrs. Rebecca Senz sat up in her coffin. Physicians summoned the woman's children and relatives this afternoon and at 5 o'clock after she had suffered a paralytic stroke, she was pronounced dead. Ice was packed about her body and candles were lighted.

Neighbors who came in to console the woman's children were gathered about the coffin when the body stirred. Mrs. Senz sat up and asked for a drink. Physicians said tonight she would recover.

MINING OF COAL AT HERRIN CAUSE OF INVESTIGATION

Operators Claim That Steam Shovelers' Union Did the Work

(By The Associated Press)
HERRIN, Ill., June 16.—The American Federation of Labor convention probably will be called upon by Illinois miners' officials to decide the question of whether there is a steam shovelers' union, members of which, officials of the Laster & Sherwood surface mine six miles east of here, claimed to have mined fifty cars of coal from the strip mine.

No trouble developed altho the working of the mine was the sole topic of conversation among thousands of striking miners who gathered in crowds and discussed the situation.

It was learned today that striking union miners were ordered by their officials to remove earth from the Lester and Sherwood mine to prepare for the resumption of work when the strike ended, but that an agreement between the men and the company provided that no coal should be dug or loaded into cars. These union miners quit their jobs today when the imported men started loading the coal.

Machine guns are in position around the mine which resembles a military camp.

MEXICO MAKES ARRANGEMENTS FOR HER DEBTS

Sign Agreement With Banker's Committee Friday

(By The Associated Press)
NEW YORK, June 16.—A plan for adjusting the entire external debt of the Mexican government the National Railways debt of that country and certain so-called internal debts held largely outside of Mexico was agreed upon today by the international committee of bankers of Mexico and Adolfo de la Huerta, finance minister of the Republic.

The agreement, subject to the approval of President Obregon covers securities with a face value exceeding \$500,000,000 in gold on which the interest in arrears approximates \$200,000,000.

Under the agreement cash payments on current interest are to begin after January 2, 1923, out of a special finding which will be paid the oil export taxes and a surcharge of railway gross receipts.

All cash payments as to back interest are to be waived.

Overdue coupons will be deposited with a trustee and the receipts for the coupons will be amortized without interest over a period of time, this arrangement in effect being a cancellation of party of the back interest.

The railways are to return to private management promptly. The government will assume by endorsement all railway debt not already guaranteed by it.

To give time for full resumption of all cash obligations, all classes of bond holders are to agree to temporary suspension of sinking fund rights, etc., during a five year period.

After the agreement had been signed by Mr. de la Huerta on behalf of the Mexican administration and Thomas Lamont on behalf of the bankers, the international committee issued a statement which said:

"As a preliminary the agreement recites the determination of the Mexican government to fulfill its obligations to the full extent of its capacity and states that the international committee deprecating the difficulties of the situation caused by the revolution and desiring to co-operate with the government in promoting the full economic restoration of Mexico as rapidly as possible will recommend that the bond holders make substantial adjustments of their rights."

"The more important points covered relate to the handling of current interest, arrears of interest and the railways. The plan of adjustment relates to all external Mexican government debt, direct or guaranteed, the national railway debt and certain so-called internal government debt largely held outside Mexico."

Mr. de la Huerta said both sides had made sacrifices in reaching the agreement. Mr. Lamont said the best of feeling had prevailed through the negotiations.

Mr. de la Huerta, he said, had handled a difficult question in a broad statesmanlike spirit.

The agreement it was felt in financial circles would strengthen tremendously Mexico's position in the money markets of the world and possibly prove a move toward recognition of the Mexican government by the United States, Great Britain, France, Belgium and Switzerland.

LEWIS LEAVES FOR CINCINNATI
Springfield, Ill., June 16.—John L. Lewis, international president of the United Mine Workers departed at 8 o'clock tonight for Cincinnati, O., where he will speak before the American Federation of Labor Convention now in session in that city.

ONE KILLED WHEN HARVEST HANDS FIGHT

CHEROKEE, Okla., June 16.—One man was killed and three others probably fatally injured here tonight in a fight when about sixty harvest hands assembled in the city park, just outside the city limits. The fight which assumed the proportions of a riot, was thought by officers to have been incited by the I. W. W.

Sheriff McCray said the trouble had its inception in Enid Thursday. In that city, where a large number of harvest hands have congregated it is claimed that I. W. W. members became embroiled with harvest workers who were not members of that organization.

About 30 non-members Thursday night came to Cherokee. The I. W. W. members came in today and finding the non-members in the city park began a fight, the sheriff said.

Late tonight 12 alleged members of the I. W. W. charged with participation in the shooting affray were arrested.

WILL CONFER AGAIN TODAY ON TAKING UP SHIP SUBSIDY BILL

Republican Leaders Are to Talk to Harding About Bringing It Up Prior to Adjournment—Ignore the Amendments Relative to the Sale of Liquor on American Vessels

(By The Associated Press)

WASHINGTON, June 16.—Republican leaders of the house will confer again tomorrow with President Harding on the question of taking up the administration's ship subsidy bill prior to adjournment. Indications tonight were that they would reiterate the belief that consideration of the measure ought to go over until the December session.

The bill was reported today to the house by the merchant marine committee which rejected the Bankhead amendment providing that no government aid should go to ships on which liquor was sold. There was no action on the Edmonds proposal for imposition of \$10,000 fines on all ships, American or foreign, which sold liquor on any voyage starting or ending at an American port.

Declaring the situation today with respect to establishment of a merchant marine was different from that obtaining at any time heretofore, the committee report added:

"It is not a question whether we wish a merchant marine, for we have it. It is not a question of subsidy or no subsidy because to meet the government's loss of \$50,000,000 a year in the operation of our merchant marine, the people are being taxed far beyond what would be needed were the ships brought into efficient commercial operation."

The main question the report said was disposal of the present fleet so that with the least cost to the tax-payers it may be made of the greatest use to the country as a whole in peace and war.

SALE OF LIQUOR IS PERMISSIBLE RULING OF VISE

New Treasury Regulations Were Issued Yesterday

(By The Associated Press)
WASHINGTON, June 16.—Sale of liquor on shipping board vessels outside the three mile limit is permissible under new treasury regulations issued today, according to P. A. Vise, general counsel for the prohibition unit.

This interpretation was taken as settling for the time being the controversy over liquor on government ships precipitated by Adolphus Busch III, the St. Louis brewer.

Solution of the problem, Wayne B. Wheeler, general counsel of the Anti-Saloon League declared tonight "lies in excluding all ships that sell liquor from American ports." Legislation to this end is being considered, he said.

The new regulations were not drafted with the intention of settling the question of liquor on shipping board vessels, Mr. Vise said and in fact were written before that question arose. As drawn, he said, they would apply equally to American and foreign ships permitting intoxicating sea stores within the three mile limit under the customs regulations which provide that while in American ports all liquors on board a ship must be sealed up.

Altho abnormal post-war conditions were pointed out as obstructions to fixing a scientific living or saving wage at present the board declared that as soon as this condition cleared away it would "give increased consideration to all the intricate details incident to the scientific adjustment of such a wage."

The bulk of persons hit by the new cut will be 200,000 clerks and 100,000 station employees. The majority of clerks, those with two years experience or more are cut 3 cents an hour. Other clerks are cut 3 cents and beginners instead of a former minimum month's pay of \$67 will get \$60. After the first six months they will receive \$70, instead of the former rate of \$77.50.

Storekeepers, chief clerks, train and engine crew calliers, train announcers and baggage room employees will be cut three cents.

INDIANA GIRL SUES COLLEGE TRUSTEES

(By The Associated Press)
PHILADELPHIA, June 16.—Two damage suits, one against the trustees of Bryn Mawr college and Miss Carrie Thomas, its former president and the other against Miss Thomas as an individual were instituted in federal court today by counsel for Miss Margery Barker of Michigan City, Ind., who was expelled from the college in March of last year. No papers other than formal summons against the defendants were filed, Miss Barker, who was a sophomore at Bryn Mawr was expelled following the alleged disappearance of articles from the dormitories.

That was a sharp lesson in citizenship that Judge Burton gave to one of the men who appeared in the case of the year yesterday. As soon as the evidence was produced to show that the man had claimed exemption as an alien during the war time, the court without hesitation cancelled the naturalization papers. That finding was quite in accord with the sentiment of the people on this subject.

AS OTHERS SEE US.
Jacksonville has a Rotary Club, a Kiwanis Club and a Chamber of Commerce and all three of them don't seem to cut enough ice in the community to eliminate that motorist's nightmare between the end of the hard road and the Morton avenue pavement. —Franklin Times.

Anybody who has the notion that the Republican leaders are downhearted over recent political developments, should have attended the party engineered in Washington by Fred W. Upham, of Chicago, says the Manufacturers News. As treasurer of the Republican National Committee, Mr. Upham assembled Republicans from twenty of the largest cities of the country, together with four members of the cabinet and the Vice President. The enthusiasm of the gathering may be measured by the fact that Secretary Hoover made the best political speech of his whole career and the meeting adjourned with an agreement to raise \$500,000 for the congressional campaign this fall. Nobody present thought there would be the slightest difficulty in providing this fund.

"Perhaps the most significant thing which has occurred since the railways were returned to private operation," says the Railway Age, "has been the reduction in the number of employees." It calls attention to the fact that

recent statistics of the Interstate Commerce Commission show that in the first three months of 1922 the number of employees was about 438,000 less than at the end of government control in 1919, and the payroll about \$60,000,000 a month less. "We have not heard the last of the question of government ownership," says the Railway Age. "Smith W. Brookhart, a very radical advocate of government ownership, has just been nominated for the United States Senate by the Republicans of Iowa. This is a portent which shows that facts illustrating the difference between the efficiency of government and private operation cannot be too often presented. No other facts illustrate it more forcibly than the great increase in the number of employees which occurred under government operation and the remarkable decrease which has occurred since private operation was resumed."

The conviction of the twenty-nine Greeks on trial in Quincy on a manslaughter charge will cause general surprise. In the story of the riot at Frederick which reached Jacksonville there were many things to indicate the great uncertainty as to who fired the shots resulting in the death of the sheriff and his deputies. Even granting that some of them are guilty of the killing, it does not seem probable that all of the twenty-nine entered into a conspiracy to do the wrong or that all had a part in it.

From an outside viewpoint it looks as if the jury had made this wholesale conviction on the theory that some of the men had done the killing and that since the case could not be proved against the men individually that all should be punished.

Jacksonville had no more distinguished commencement season visitor than Dr. Edward Capps of Princeton. Dr. Capps has for years been recognized as a world authority on the Greek language and literature. His frequent trips to Greece and his long study of the country and its people give his statements with reference to Near East problems special significance. One may not fully share his views with reference to America's participation in old world affairs but at the same time must realize that his views are entitled to the most careful consideration.

One of the most notable things about Dr. Capps is the fine democracy of his spirit. For some years past he has been intimately associated with men of great prominence both in the U. S. and abroad.

That fact has in no way changed his attitude and on his

return visits to Jacksonville his friends here are pleased to find the same geniality, the same approachableness that characterized him in the earlier years. All is said and done, there is no greater accomplishment than democracy of spirit.

WINCHESTER CLUB GAVE SUCCESSFUL SOCIAL

Ice Cream Social and Band Concert Given Under Auspices of Woman's Club Was Huge Success—Other Winchester News.

Winchester, June 16.—The ice cream social and band concert given Thursday evening in Mount Park under the auspices of the Woman's club was a most successful undertaking. There was a large attendance and the patronage was very liberal and consequently there was quite a substantial sum added to the park fund.

The literary and civic department of the club had charge of the ice cream and soda pop booth while the household science department had the arrangements for the platform dance and other features. The two high school bands and the Winchester orchestra furnished a splendid musical program during the evening. This was the first social of the season in the park and the fact that it was a complete success is very gratifying to those who managed it.

Farewell Party Given.
While Supt. C. W. Smith and family were enjoying an auto ride Wednesday members of his Sunday school class gathered at his home and gave him a very pleasant surprise. The guests brought with them an abundance of good things to eat and the evening social was a very delightful way. Supt. Smith and family are to leave soon for the summer and the event was planned as a farewell party for them.

News Notes.
The storm of Tuesday morning partially tore down the awning in front of the W. B. Clark grocery store and broke the large plate glass window. Some large trees were blown down on North Main street and in other parts of the town, but no other serious damage was done.

The funeral of the three months' old daughter of Mr. and Mrs. Edward Welch was conducted from St. Mark's Catholic church yesterday morning in charge of Father O'Mullane. The bearers were Robert Lashmet, Robert Burns, Raymond Welch and Gregg Guilbane. The flowers were cared for by Katherine Lashmet and Audrey Ring. Interment was made in the Catholic cemetery.

C. J. Dwyer and Miss May Ryan motored to Jacksonville Thursday. Miss Groves, R. N., returned with them and will care for Miss Nora Dwyer who is seriously ill.

Miss Margaret Watt was given quite a surprise Friday evening when a number of relatives came in and announced they had planned to help celebrate her birthday. A splendid 6 o'clock dinner was served and the hours afterward spent in a very pleasant way. Those present were W. D. Gibbs and family, William G. Watt and family and Miss Kate Watt.

NATURALIZATION DAY IN CIRCUIT COURT

Final Papers Granted Two Men—Taken From One Who Sought Exemption in War Time.

In the circuit court yesterday afternoon Mr. Christy, representative of the naturalization department of the government, questioned applications for final naturalization papers, the hearing being before Judge F. W. Burton.

Satisfactory showings were made by Gottlieb Gutekunst and Kilman Warsarachtysky and the application of Mr. McManus was continued in order to permit amendments.

The case of Fred B. Schoene of Arcville occupied most attention and naturalization papers previously issued on the order of Judge Burton were cancelled.

According to the records in the war time Schoene claimed exemption on the ground of being an alien. Later when he filed application for letters of citizenship answers to questions given indicated that he had not claimed exemption.

Mr. Christy called attention to the government record in the case which clearly showed that exemption had been claimed and Judge Burton indicated very promptly that this fact was all that he wanted to know and the order withdrawing the rights of citizenship was immediately entered.

Judge Burton said he had very definite ideas on this subject and that in his opinion any man who claimed exemption as an alien should not be permitted to enjoy the rights of citizenship. Schoene now has the right to make application again and to a court hearing in due course, but there will be no question as to just the action that the government will take in his case.

SOLDIERS RETURN FROM CAMP GRANT

Capt. James and Men Home From Five Days' Training Trip—Company Goes to Camp July 18.

Captain Wesley James and ten enlisted men from the local "Howitzer" Company 130th Infantry, Illinois National Guard, arrived in the city last evening at 7:20 on the Chicago & Alton, from a five day stay at Camp Grant, where they had attended the Army School of Instruction. There were about eighteen hundred enlisted men from all parts of the state in attendance, and all speak enthusiastically of the school. The officers in charge were regular army officers of the higher caliber.

Not much was heard of the "Howitzer" units in the National Guard until the recent meeting at Camp Grant. The headquarters of the "Howitzer" units is at Camp Denny, Georgia, where a superb infantry school is maintained. Graduates from West Point in the Infantry Division, are required to go thru the training at Camp Denny in addition to their previous instruction. The local contingent while at camp were under the supervision of Capt. Lindsey, of Camp Denny. The local boys received favorable comment from the officer and acquitted themselves very well.

There are four "Howitzer" units in the state of Illinois at the present time and Jacksonville should be proud to own one of that number.

It is the earnest desire of Capt. James to have twenty good men for recruits to the local organization report at Armory Hall next Monday evening, as that number additional men are needed to bring the company's quota to the required full strength. The entire company will go to Camp Grant for an eighteen day training period, July 18th.

Captain James reports that Camp Grant is still a very busy training camp, and will be used throughout the summer exclusively for the training camp of the I. N. G.

DEATHS

Albert De Freitas passed away at his home, 505 Sandusky St., at 10:55 p. m. Friday evening after a long illness.

Funeral services will be from the residence at 4 o'clock Sunday afternoon.

WOMEN'S GOLF TOURNEY CLOSED FRIDAY

Mrs. A. R. Gregory and Miss Ruth Brown Won First and Second Prizes.

The women's golf tournament at the Nichols park course was finished Friday evening. Mrs. A. R. Gregory won first honor and Miss Ruth Brown second. The third best score was made by Miss Estelle Davis.

There were twenty-five entrants in the tournament and an unusual amount of interest was shown. The players were watched by a large gallery of spectators.

The men's tournament with its very large entry list will open today and be continued tomorrow.

CAFETERIA IMPROVEMENTS

A new ventilating system which includes three large fans has been installed in the Loop cafeteria. This equipment will make the spacious room the more comfortable during the summer season. The largest ventilating fan is placed near the ceiling in the north wall.

Mr. and Mrs. Warren Fanning were up to the city from Nortonville yesterday.

CHAPIN CHURCH WILL HAVE HOMECOMING

Members of Chapin Christian Church Plan Big Program for Tomorrow in Observance of Annual Homecoming.

Chapin, June 16.—The Homecoming in the Chapin Christian church, on Sunday, June 18, has been looked forward to by the friends and members of the church and it is expected that a very large crowd will be present to enjoy all the good things that are being planned. Everybody is especially invited on this day, to come, and in some way help to make this one of the best days the church has ever experienced.

At the noon hour there will be in the church basement a basket dinner. Bring your well filled baskets, and enjoy the fellowship of the day. The following menu has been planned by the ladies of the church: Cold sliced meats, potato salad, other salads, deviled eggs, cottage cheese, baked beans, pickles, bread and butter, pie, cake, coffee, iced tea.

At the afternoon service Rev. R. A. Omer a former pastor of the church, will give the address. Many will remember his forceful sermons while he pastored here 25 years ago.

A VIGOROUS CHOPPER

Ever since the disastrous wind a few nights ago the sound of an axe vigorously wielded in the vicinity of the west end of College street where it runs into Diamond street, have been heard and investigation has disclosed the fact that the chopper was none other than Rev. W. E. Sponts D. D. In his young manhood he was a noted chopper of cord wood, having in one winter chopped 125 cords and delivered the same with a yoke of steers. He has probably the only sharp axe in the neighborhood and has been at tacking the down and damaged trees and limbs in a successful manner.

SAILOR REGAINS THE HEALTH HE LOST IN CRUISE

Francis Brown Declares He is a New Man Since Tanlac Completely Restored Him After Serious Stomach Trouble.

"The boys on the boats are talking about my fine appearance since I took Tanlac," said Francis K. Brown, 807 S. State St., Chicago, Ill., sailor on the Str. Marquette, between Buffalo and Chicago.

"I ran into bad weather on the Lakes and it probably was the exposure that gave me a cold which left me in a run-down condition. My stomach got out of order, everything I ate would sour, causing so much gas I would almost smother, and I was so nervous I could scarcely sleep at nights.

"Well, it surely was a lucky day when I got Tanlac. I have a regular sailor's appetite now, and can hold my own with the huskiest lads on the boat. Tanlac will always get a good recommendation from me."

Tanlac is sold by all good druggists.—Adv.

FACTS ABOUT NEAR EAST TOLD ROTARIANS

Dr. Edward Capps of Princeton Made Informing Address at Friday Luncheon on Situation in Greece.

"The War and the Near East" was the theme of Dr. Edward Capps in an address at the luncheon of the Rotary Club at the Pacific Hotel, Friday. Dr. Capps is recognized as an authority on affairs in Greece and the Near East. It has been his privilege to spend about five years out of the past thirty in Greece and so thru study and contact he had had the opportunity of knowing about conditions there.

He served during part of the Wilson administration as U. S. minister to Greece and substantially was head of the Red Cross Commission sent there.

It is the opinion of Dr. Capps that the unfortunate present situation in the Smyrna district, in which Greece and the Turks are at war, is the direct result of a change of policy among the allied nations. It is his statement that the Greek army was placed there for police duty and to enforce certain treaty agreements. Then came a change of policy thru action of the supreme council and the Greeks were put into a false position and given the appearance of making war for personal aggrandizement or for accession of territory.

French and English support has been withdrawn and the Greeks left to their own resources. So a study of the Near East affairs, Dr. Capps says, will make it clear that France and England are not following international law. The duty of the United States, as he sees it, is to demand that the principles of international law shall be followed and the promises of the contract made with the Greeks lived up to.

He said that here at home when there is law breaking and rioting that the honest citizen cannot merely withdraw within his home, close the doors and remain there until quiet is restored. Instead he must do his part in demanding that these conditions cease.

He said that the same thing must happen in an international way and that it is the duty of the United States to use its influence for the proper observance of international law.

The foregoing paragraphs give a very inadequate idea of the careful way in which Dr. Capps analyzed the difficult situation in the Near East.

The program of the day began with mass singing led by Albert C. Metcalf. The list of guests included Ray Bracewell, Burlington, Iowa, member of the Rotary Club there; Forest Siefkin, Wichita, Kansas; Ensign John G. Ames and Dessault Ames; Ora wesner of Roodhouse; Harry Primis of this city and his friend, Mr. Kondos of Chicago Heights.

C. A. ROWE ATTENDED CONFERENCE ON CROPS

Charles A. Rowe returned yesterday from Champaign where he has been for the past two or three days in consultation with other members of the crop improvement committee. The members of this committee are appointed by the trustees of the University of Illinois. It is their duty to inspect the work of the experiment stations operated by the agricultural department of the university and to make various recommendations with reference to plans that are to be followed out for seed testing, grain development and kindred subjects.

CARL HUGHETT ARRIVES FROM CALIFORNIA

Carl Hughett is in the city for a visit with his parents, Mr. and Mrs. Silas Hughett, at 749 West Lafayette avenue. Mr. Hughett is now a resident of California and made the trip to this city in an auto. He covered the distance of 2,400 miles in ten and one half days, encountering good roads for most of the distance. The fact that he had no blowouts and but few car troubles accounts for the short time consumed by the trip.

Mrs. William Morgan and family came up to the city from Franklin yesterday.

Oral Davis of Merritt traveled to the city yesterday.

MAKE TOUR FOR ROAD INSPECTION

Local Men Visit Lynnville, Winchester and Riggston—Florence Best Place to Cross River.

An inspection tour of Good Road men headed by County Chairman Tomlinson of the Ocean to Ocean Highway association in Walter DeShara's car Friday afternoon visited Lynnville, Winchester and Riggston for the purpose of ascertaining the best route to send the daily increasing number of tourists.

Reports were received Friday morning that the road from Florence to Pittsfield had been completely closed off but this was found to be untrue.

After inspecting several routes it was the opinion of the Committee that the best way at this time would be to follow the Ocean to Ocean Highway thru Riggston until the second road running south is reached, after passing Riggston by taking this road it will lead you directly to the business section of Winchester from there go directly west to Florence crossing the river and go to Detroit, at this place you detour south of the main road but come on to it again before reaching Pittsfield the Big Four Trail (Black and Yellow) should be followed to Hadley where the Ocean Trail joins the Big Four Trail and then continue using the same road into Hannibal.

CAMP FIRE GIRLS HAVE VARIED PROGRAM

Rotary Club Cottage, Meredosia Bay, June 16.

Camp is progressing fine, everyone is in fine spirits, and competition runs high among the four squads of Camp Fire girls. Wednesday morning after breakfast we assembled out in front of the cottage for the track meet. The events were as follows:

25 yard dash, 1st place, Toinette Cully of squad 4.

Baseball throw, 1st place, Caroline Doane of Squad 1.

Three legged race, 1st place, Abbie Lee Young and Irene Stubbins of squad 1.

50 yard dash, 1st place, Toinette Cully of squad 1.

Broad jump, 1st place, squad 1.

Antelope race, 1st place, squad 1.

Hop-step and jump, 1st place, squad 4.

Relay race, squad 4.

When all points were added up it showed squad 1, headed by Edith Putnam, winner with 27 points and squad 4 with Maud Eva Hackett as leader a close second with 26 points.

About 6 o'clock Wednesday evening we took a launch ride. The launch would not hold all so part of us went in the flatboat which was fastened to the launch. Water guns were one of the chief articles used in the launch but the people in the flatboat needed no water guns to give them a soaking for almost the flatboat proved to be full of holes.

The girls pasted up a lot of the holes with chewing gum, while the other girls shoveled the water out. We all landed safe and sound and would liked to have done it again.

Thursday morning the "Paris Garters" and "Brave Supporters" played to decide which would play in the finals. The "Brave Supporters" won with a score of 8 to 6. Sis Hopper starred for the "Brave Supporters," making three runs and pitching an awful ball.

Squad 4 beat squad 2 in volleyball, 30 to 5, so in the afternoon squads 4 and 3 played for volleyball championship, squad 4 winning by a score of 15-13 and 15-12.

Last night was a stunt night. Each group put on a stunt of some sort. These were much better this year so we must be improving by practice.

Group 1 (the Paris Garters) gave a tableau showing the evolution of dancing. First was the Greek dancing, then the Colonial Minuet, third, Virginia Reel, and last the present day dancing.

Group 2 (Speedy Sparklers) gave a dramatization of Paul Revere's ride.

Group 3 (Brave Supporters) a mock class day. Jo. Milligan was the school master. A reading was given by Helen Turner which of course made laughing a continuous thing. Eleanor Andre sang a beautiful song in which the tune was more or less lacking. Mary E. Baumgartner read the class prophecy. Sis Hopper read the class will. The awarding of trophies was done by Mabel Rogers.

Group 4 gave tableaux representing well known advertisements. Betty Black took the cake as Aunt Jemima pancake flinger.

This morning the aquatic meet was held. Squads 1 and 4 tied for 1st place and squads 2 and 3 tied for second place. There was much good rowing and swimming with much improvement since last year.

For the stunts prizes were awarded as follows: Squad 4, 1st place; squad 3, 2nd place; squad 2, 3rd place.

FORMER GREENE COUNTY RESIDENT IS BURIED

White Hall, June 16.—The remains of Mrs. Charles Hitch arrived Thursday from Hot Springs, Ark., and taken to the home of her father, James E. Rutledge, at Patterson, where they remained until 11 o'clock today, when funeral services were conducted in the Baptist church at Patterson by Rev. Roy March of White Hall, burial being in the Pine Tree cemetery at Patterson. The age of the deceased was about 28 years her maiden name being Miss Ina Rutledge. She and Charles Hitch were married six years ago. They went to Arkansas about a year ago to locate on a farm near Hot Springs. Announcement of her death came wholly unexpected, as she was ill only a day. Her husband and one child survive, the child being two years of age. She was a member of the Baptist church and a graduate of the Patterson high school.

WHITE HALL BAND WILL GIVE CONCERT TONIGHT

White Hall, June 16.—The management of Whiteside park have departed from an old ruling and will permit the holding of an ice cream social in the park Saturday evening for the benefit of the K. of P. band. Opposition to using the park for such purposes has been pronounced, but the well known interest in band affairs by the late Mrs. S. N. Griswold, as well as Mr. Griswold, caused no hesitation in granting the request for the Saturday night engagement. The band will give a concert during the evening free to everybody.

This is a comparatively new organization, having appeared on Decoration Day and again on the occasion of the K. of P. memorial exercises last Sunday with the most favorable effect. It is under the direction of F. A. Brooks and the citizenship in general will be glad to render service and assistance. Saturday evening in Whiteside park for the benefit of the band.

SHILOH LADIES AID SOCIETY HAD MEETING

Misses Tirzah and Amanda Jewsbury were hostesses to the Shiloh Ladies Aid Society Thursday afternoon, at their home southeast of Litterberry. A large attendance of members were present.

The meeting opened by singing "Wonderful Words of Life" followed by Scripture reading, Proverbs 14, by Mrs. Stella Lindsay. The Lord's Prayer was repeated in concert led by Mrs. Nellie McGee. Roll call was answered by naming a favorite flower.

A good paper entitled "The History of the Flag" was read by Mrs. Verna Hull. Miss Emma Dodsworth who was to have read a paper was unable to be present. The meeting closed by singing "Oh! Happy Day," followed by the scripture benediction. The collection amounted to \$4.15.

During the social hour following the hostesses served delightful refreshments. Among the guests were: Mrs. John Myers, Mrs. A. L. Litter, Misses May Myers, Alma Lindsay and Eleanor Litter. The next meeting will be held July 20, at the home of Mrs. Ruby Bourn.

The Children's Day exercises will be held Sunday evening at 7:30 instead of 2:30 as previously announced.

TO VISIT IN CANADA.

Miss M. Burns, teacher at the local school for the deaf, will leave this morning for a vacation visit in Vancouver, British Columbia.

ILLUSTRIOUS TRAVELER

In a long career as reporter one meets with all kinds of people. Some are surly tho not many, some are morose and some indifferent, some polite and now and then one meets with a genuine gentleman, intelligent, refined and ready to impart to the news man all desired information making one think life is worth living after all.

Such a gentleman was Dr. E. G. Sharp, of Guthrie, Oklahoma, who is traveling by auto with his wife and charming daughter to various parts of the country. Their immediate destination is Indianapolis where the doctor expects to attend the sessions of the National Eclectic Medical Association, an organization to which he has belonged for many years and whose gatherings he always endeavors to attend for the good he gets from the meetings.

The gentleman is a native of Illinois but has lived in Oklahoma thirty years and has seen the wonderful development of that thriving commonwealth. Guthrie was the first capital and the people of the place saw the capital moved thru political jobbery, as they claim but still Guthrie is going ahead.

It has a Scottish Rite temple worth \$600,000 and that they will give the grand Masonic

Lodge and build a \$3,000,000 structure. They are now erecting \$250,000 worth of buildings for the Masonic Orphans' Home to be located there.

From Indianapolis the doctor expected to go to Chicago and then to Rochester, Minn., to add to his stock of medical knowledge at the great institution of the Mayo Brothers. Other places will attract him and his accomplished

wife before their return. It may truly be said that if the worthy man of medicine makes all his patients look as healthy and vigorous as he and his family he is surely a successful physician. He is high in Masonic circles and has been a great factor in the growth and prosperity of the places in which he lives.

No More Pains from Corns, Callouses and Bunions, or Tired, Aching Feet Since Using

Gipsy Foot Relief

a Secret from the Desert Which Makes the Pains and Aches Disappear as if By Magic!

New York: Mrs. Doyer and her son Harvey, the famous hikers who are walking from Boston, Mass., to Los Angeles, Calif., a distance of 3,300 miles, are now free from the foot troubles that threatened to stop their intended record-making hike in this city a short time ago, when Mrs. Doyer developed such a painful crop of corns, callouses, a bunion and tired, burning feet, that to continue seemed impossible. Reports now reaching here, however, show wonderful progress, even under most foot-tiring conditions since they treated their feet so successfully with GYPSY FOOT RELIEF—a secret from the desert—and continued on their way. Mrs. Doyer's report says: "Just think, we have walked three days in the rain, our shoes soaked and wet, and we didn't have the least little sensation of burning feet." Harvey says: "GYPSY FOOT RELIEF is wonderful. I don't think we would be able to go without it." Applied in a minute, pains from burning feet, callouses, corns and bunions disappear as if by magic. No need to worry over foot-misery nor be afraid to take long hikes and attend dances, or four staying on your feet as long as you like if you use GYPSY FOOT RELIEF. It is positively guaranteed to give successful results in every case or you get back the little it costs. GYPSY FOOT RELIEF, that saved the walking reputation of the Doyers, and used by Violet MacMillan, the famous actress who won the "Cinderella Golden Slippers Prize" at the New York Exposition, and legions who formerly suffered from corns, burning feet, callouses, bunions and tired, aching, tender feet, is a secret in this city by all good drug stores.—Adv.

NEWS OF THE SPORT WORLD

PRELIMINARIES ARE RUN IN BIG N. C. MEET

Track is Fast and Records are Expected Today—California Favored to Win With Illinois Second Choice.

CHICAGO, June 16. — With more than 300 athletes, the cream of America's college athletic world entered in the competition the national collegiate track and field meet will be held on Stagg field tomorrow with indications favoring shattering of records.

The crack California team, which won the eastern intercollegiate meet and Illinois, winner of the Western conference championship are regarded as the favorites while Nebraska winner of the Mississippi Valley conference title, Penn State, Notre Dame, Iowa, Wisconsin and Minnesota are expected to be dangerous contenders for second place honors. All of these teams will have a full quota of ten performers in the meet. There will be 53 universities and colleges represented.

The finals tomorrow are expected to result in a duel between Illinois and California with the prospects that California will triumph. The western squad is well balanced and is particularly strong in the field events. From all indications the meet will be the greatest college event ever held.

With few exceptions all the men capable of winning any of the 15 events will be among the starters with the exception of Wolters of

GRIMES' HOMER GIVES CUBS WIN OVER BRAVES

Nicholson's Errors Give Chicago Four Runs—Frieberg Saves Game for Cubs by Diving Catch in Eleventh.

BOSTON, June 16.—Grime's home run to the left field corner in the 12th inning proved the winning factor for Chicago over Boston, 7 to 6 today. In the fourth and fifth rightfielder Nicholson made double errors mauling fly balls and then throwing wildly and was responsible for four Chicago runs. Manager Mitchell was banished by Umpire Klem. A diving catch by Frieberg in the 11th saved the game for Chicago.

YALE ATHLETICS IN CHAOTIC STATE

NEW YORK, June 16.—The athletic situation at Yale is "so befuddled and mishandled that it seems nothing short of a complete remoulding of the system of control, finance and coaching will serve to remedy it," says a report of the "voluntary committee on Yale athletics" made public tonight by the Chairman George S. Trevor of the Class of 1915.

The committee declares it represents the views of a large number of Yale men, former captains,

members of present teams, coaches and graduates interested in Yale sport.

"Many graduates feel that those in control at Yale have 'fumbled the ball,'" says the report which particularly assails Professor Clarence Mendell, chairman of the board of control.

MANY SPECULATIVE
PRICES BROKE SHARPLY

NEW YORK, June 16.—Recent
market unsettlement in the stock
market made further progress
today prices of many speculative
issues again breaking sharply af-
ter an early period in which the
list was disposed to make some
of its lost ground.

Liquidation differed from that
of yesterday and the early peri-
od of the week that it was direct-
ed more generally against the
low priced rails, a majority of the
food specialties, minor motors
and several mail order and chain
store issues.

Rock Island, Pere Marquette
and several prominent trans-con-
tinental were lower by 1 to 2½
points.

The buoyancy of this stock
went for to restore confidence in
the general list. Sales amounted
to 1,750,000 shares.

Continued ease of call money
rates was a negative influence
being based mainly on the light
inquiry. The opening rate of 3½
per cent was duplicated nine of
the Liberty group attained to par
or better with a steady demand
for 3½s and Second, Third and
Fourth 4½s.

Foreign exchanges without ex-
ception reflected more clearly
the unsettled state of economic
conditions abroad. Sterling fell
13 cents and allied remittances
lost 6 to 11 points. Liberty bonds
were the stabilizing feature the
first 4½s scoring a new top at
\$100.40, while several other of
the series duplicated recent
maximums. Altogether nine of
the Liberty group attained to par
or better with a steady demand
for 3½s and Second, Third and
Fourth 4½s.

Total bond sales (par value)
aggregated \$15,437,000.

DUN'S REPORT
WILL SAY TODAY

By Associated Press.
NEW YORK, June 16.—Dun's
tomorrow will say:

"Existing business conditions
contrast sharply with those of a
year ago. Instead of the ex-
cessive demands of the earlier period,
current buying in various lines
reflects breadth and activity and
price advances, rather than de-
clines now predominate. Less is
heard at present than was the
case last year of the quieting in-
fluence of the near approach of
the summer because there is
more work to be accomplished,
and it is significant that the ques-
tion as to whether business has
improved has changed to discus-
sion of the extent and scope of
the revival. While the recovery
actually has been in progress for
many months it had come so
slowly and irregularly in differ-
ent quarters as not to be widely
noticed and at some unsatisfac-
tory prices had raised doubts as
to the character of the forward
movement."

MOUND WOMAN'S CLUB
HAD FINE PROGRAM

Annual Children's Meeting Held at Home of Mrs. J. T. Gunn West of the City — Children Game Program.

The Mound Woman's Country club met Thursday at the home of Mrs. J. T. Gunn west of the city. It was the annual children's meeting and a very interesting program was carried out. Mrs. A. F. Kliner presented a paper on "The Children of Yesterday" describing her mother's old time cradle, made from a solid log of black walnut, also the old time trundle bed and primitive school furniture.

Mrs. Howard Stevenson's theme was "The Children of Today" and she told of the improvement brot about in the lives of children thru scientific education of mothers.

An interesting feature of the program was the exhibition of a dress about fifty years old, in which each of the children of Mr. and Mrs. Henry Stevenson was christened. The dress contained as much material as the dress of an eighteen year old miss of today. In contrast was shown the simple dress of the twentieth century baby.

The following program was given by the children:

Song—Martha Kliner, Helen Kliner, Anna Louise, Betty and Ruth Stevenson. The song was composed by Miss Carrie Dunlap and Edith Adams and was a credit to the composers as well as to the children who sang and to Mrs. Stevenson, who trained them. Piano Solo—Max Gilbert. Recitation—Nellie Stewart. Whistling Solo—Helen Kliner. Recitation—Elaine Tendick. Song—Nellie and Beulah Stewart.

At the close of the program light refreshments were served and a social hour enjoyed by all. The July meeting will be held with Mrs. W. T. Richardson. The assistant hostesses Thursday were Mrs. J. A. Walker, Mrs. Vincent Riley, Mrs. Gilbert, Mrs. T. O. Graves and Mrs. Delos James.

MISS IRVING IS TO
WED HENRY CALDWELL

Will Be United in Marriage at Irving Home, 1050 Grove Street Today — Will Reside Here.

One of the loveliest of the June weddings will be solemnized today when Miss Margaret Irving, daughter of Mr. and Mrs. Frank Irving of this city becomes the bride of Henry Caldwell of New York. The marriage rites will be held at the home of the bride's parents at 1047 Grove street and will be attended by only the immediate families of the young couple.

The wedding ceremony will be followed by a reception to be given by Mr. and Mrs. Irving at their home on Grove street at 4 o'clock. The reception will be attended by a large number of friends from Jacksonville and other places.

Considerable interest centers around the marriage of these two young people, so popular among a large circle of Jacksonville friends. Today's wedding comes as a culmination of a romance which began several years ago when Mr. Caldwell was a student at Illinois College. Miss Irving attended the local schools and later attended the Passavant hospital training school for nurses where she graduated with the class of 1921. Miss Irving's attractive and gentle personality has won for her many real friends and has made her singularly successful in her chosen profession.

Mr. Caldwell after his graduation from Illinois college went east and has been most successful as a teacher, having held a position as instructor in English in a boys' school in New York state for several years. Mr. Caldwell has been appointed as assistant professor in English at Illinois College and will take up his work here in the fall. As a man of sterling qualities and exceptional ability and talent, Mr. Caldwell has won the respect and friendship of all who know him. After a wedding trip Mr. Caldwell and his bride will be at home at 1051 Grove street.

WHITE HALL SUNDAY
SCHOOL AT NICHOLS PARK

A large delegation from the Baptist Sunday school at White Hall arrived yesterday at Nichols park and proceeded to enjoy themselves after the best manner. Some entered the water, some boated on the surface of the lake and all had a right merry time. Like all such organizations they were very welcome and conducted themselves in a manner which justified an invitation to return at any time convenient.

CLUBS AND SOCIETY

Entertain at Bridge.

Mrs. John W. Larson and Mrs. Chester A. Hemphill were joint hostesses at a delightful afternoon bridge party given yesterday at the Hemphill home on West State street. The affair was in honor of Miss Willie Miller, who is a June bride-to-be, and Mrs. William Williamson. The guest list included only the intimate friends of the guests of honor. After the hours of playing attractive refreshments were served.

Surprise Party For
Mrs. Lindd.

Mrs. A. G. Lindd was given a most pleasant surprise last evening when a number of friends and relatives went to her home on South Main street for a party in honor of her birthday. The affair was planned by Mrs. Lindd's sister, Mrs. Fred Gustafson and there were about eighteen guests in the party. A delightful social evening was spent and at a late hour delicious refreshments were served in keeping with the occasion.

Happy Hour Class
Picnic at Park.

The members of the Happy Hour Class of State Street Presbyterian church enjoyed a delightful picnic last evening at Nichols Park. The class is taught by Mrs. H. A. Chapin and is composed of young married people. There are about twenty four in the class and last evening the members were privileged to take the members of their families as guests. A bountiful picnic supper was served at six o'clock and the event in every way proved most enjoyable. Mrs. Ralph Withee was chairman of the social committee in charge of the picnic.

Dinner for Guest.

Mrs. J. G. Capps entertained at an informal dinner given last evening at her home on West State street in honor of Mrs. E. L. Tingle of Eugene, Oregon. Mr. Capps' sister who is visiting in Jacksonville. Dinner covers were laid for a limited number of guests and at six o'clock a delicious four course menu was served. Garden flowers were used in attractive table decorations for the affair.

The Girls' Scout club of Central Christian church had a picnic at Nichols park last evening. The club meets once every two weeks and the girls usually go out to the park for an outing. They met at the church at four o'clock yesterday afternoon and drove out to the park in cars. The hours before supper were spent in playing games and having a general good time. A fine supper menu consisting of all sorts of good things to eat was served at six o'clock. Mrs. Robert Mullenix, Mrs. Charles Patton and Mrs. O. C. Bolman were the hostesses for the picnic.

Professional Women's
Club Met.

The Professional Women's club met last evening at the Pilgrim Memorial for the regular fortnightly meeting. Miss Marie Finney and Miss Lillian Havenhill acted as hostesses for the evening. A short business session was held and the rest of the time was given to an enjoyable social hour with some clever little stunts and delightful refreshments planned by the hostesses.

Caldwell-Irving Wedding
Party Honored.

A delightful supper was given last evening at Nichols park in honor of the members of the bridal party and the guests who are in the city for the wedding of Miss Margaret Irving and Henry Caldwell, which will be solemnized this afternoon. The affair was an elaborate supper given at the park at six o'clock. Forty guests were present and this pre-nuptial affair was a delightful prelude to today's wedding which will unite two well known young people of the community. Mrs. Walter Rabjohns and Mrs. C. H. Story were the hostesses for the event. Among guests here for the wedding are Mr. Caldwell's parents from New York City.

FORMER WAVERLY MAN
DIES BY OWN HAND

Alfred L. Hamilton Commits Suicide Near Court House in Springfield Early Friday Morning — Financial Difficulties Probable Cause of Act—Funeral Service at Waverly Sunday.

Alfred L. Hamilton, a former resident of Waverly, shot and killed himself at the east door of the court house in Springfield at 12:15 o'clock Friday morning. The shot was heard by a policeman nearby and an ambulance was summoned, but Mr. Hamilton passed away before its arrival.

It is rumored that the dead man had met with some financial losses in recent months and it is presumed that his action was due to despondency because of this fact.

He deceased was forty-seven years of age the 14th of the present month. He was born in Waverly and spent his entire life there until ten years ago, when he removed to Springfield. He practiced law in Waverly and also in Springfield, and in the latter city had an office at 420 1/2 East Washington street. Of recent years he had devoted some attention to real estate transactions.

The contents of a note which was found in the pocket of the dead man has not been disclosed, altho it was stated that no blame for his action was attached to any one.

Surviving is the widow, together with two sisters, Mrs. J. B. Lombard and Mrs. Richard Cox, all residing in Waverly. One son, Loren Hamilton, passed away about three years ago.

The remains were taken to the undertaking establishment of Coroner Branson, where an inquest was held Friday morning. The body was later taken to Waverly to the home of Mrs. Lombard.

The funeral will be held Sunday afternoon in charge of Rev. C. A. Hamand, pastor of the M. E. church, assisted by Rev. J. W. Thomas, of the Christian church. Interment will be made in the Franklin cemetery.

CHILDREN OF D. V. B. S.
HAD PICNIC FRIDAY

The children who are attending the Daily Vacation Bible school now in progress in this city enjoyed a picnic Friday. The Junior department children enjoyed the morning on the grounds of the State School for the Deaf. Here a kite flying contest was a feature which the boys found especially interesting. The intermediate children also spent the morning hours on the School for the Deaf lawn. Games and a bountiful picnic lunch made the event a pleasurable one.

The children of the kindergarten department were taken to the Academy lawn by their teacher, Miss Emma Daniels, and had games and lunch. The Primary children were taken to Duncan Park by Miss Josephine Morey and spent the morning in a happy way with games and contests. A picnic lunch was also an important feature of the Duncan park picnic.
